## A-Bombs For Planes, Subs May Be AEC Plan

### Would Solve Problem Of Russ Bombs

Washington, Oct. 1—(AP)—An all-out gamble for "enormous stakes"—the production of atomic power for airplanes and submarines—may be a major atomic energy commission answer to Russia's possession of the A-Bomb, it was indicated today.

The AEC is known to have under discussion with the Senate-House atomic energy committee proposals to expand and speed up the construction of reactors—atomic piles—aimed at developing aerial and underwater power plants.

Involved are what a proposed report of the Senate-House committee on its investigation of commission operations called "enormous stakes." The document, which said that Senator Hickenlooper (R-Iowa) failed to prove his "incredible mismanagement" charges against the AEC and Chairman David E. Lilienthal, represents the views of committee Chairman McMahon (D-Conn.) and Vice Chairman Durham (D-N.C.).

**Protest Draft**  
Hickenlooper and Senator Knowland (R-Calif.) protested that the draft does not reflect majority opinion of the committee on its lengthy inquiry into AEC management.

There was every sign, however, that they agreed with McMahon and Durham in the latter's criticism of what they called the commission's "oversight" development of the reactor program.

Observing that the attempt to harness atomic power for civilian uses is vitally important, the proposed report said:

"The stakes are equally enormous in a military sense, as evidenced by the third project planned at Arco (an AEC installation in Idaho)—a navy thermal reactor intended to be a land-based prototype of a submarine plant. If successful, it may affect naval operations as profoundly as the atomic bomb has affected strategy in general."

**Great Potential Power**  
In this connection, authors of the document noted that one pound of U-235, material used in producing atomic explosions, "has a potential fuel value, if it can be tapped, equal to many hundred thousands of tons of coal."

The authors left unmentioned the obvious value of harnessing a fuel which might eliminate the heavy loading of airplanes with gasoline and permit almost unlimited ranges for submarines and ships without refueling.

The proposed report made it clear, however, that a tremendous gamble is involved. Discussing the reactor program, it said:

"The results may conceivably range anywhere from startling progress to extensive radiation accidents, or even both."

The proposed report expressed "disappointment" that "in two and one half years the commission has not broken ground on a single high-power reactor."

## Truman Watches Navy And Marine Show On Anacostia

Washington, Oct. 1—(AP)—President Truman joined thousands of spectators on the Anacostia river front here today for a navy and marine show as new jet planes flashed overhead.

He saw a surface parade of 100 old and new navy and pleasure craft—one of them firing a 1799 muzzle loader as it chugged by—and a demonstration of navy demolition teams simulating removal of underwater obstructions and destruction of pill boxes ashore.

Finally, the Marines brought out a two-bladed helicopter that came to a dead stop near the surface, pulled a demolition swimmer from the water and hauled him in with a rope.

The president and his party saw the two-hour show from the fantail of the yacht Williamsburg, tied up at the dock of the naval gun factory. The pageant and maneuvers were part of a celebration in observing the factory's 150th birthday.

**DIES OF NEW ATTACK**  
Chicago, Oct. 1—(AP)—David Eisenman, 56, of 5298 Waterman Ave., St. Louis, died today of a heart attack in his box at Wrigley Field.

Eisenman collapsed while watching the baseball game between the St. Louis Cardinals and the Chicago Cubs. He was said to be the owner of a textile concern.

## Czechs Start Arrest Of 'Unreliable' Reds

Prague, Oct. 1—(AP)—Reliable sources reported today arrests of communist small fry officials are increasing and there were hints that the government is out for even bigger game.

The arrests of "political unreliable" may be setting the stage for a trial of Titoists similar to that in Hungary where the former No. 2 communist, Laszlo Razak, was condemned to death on charges of plotting with Yugoslavs.

The current wave of arrests and ousters extends to sports writers on communist newspapers. Antonin J. Liehm, deputy press chief of the Czech foreign ministry, signed an article appearing in the youth newspaper, Mlada Fronta, which indicated a bigger purge is in the offing.

Liehm wrote that the trial of Rajk and his seven co-defendants in Budapest "gave ample evidence" exposed to fifth column activities. "that we in Czechoslovakia also are high in the government or party ranks such 'traitors' might be."

Unofficial but reliable reports said:

1. Seven communist officials in charge of the agency for restitution and reconstruction in Prague have been arrested on charges of embezzlement and accepting bribes.

2. Four officials of the ministry of unification of laws were ousted and arrested for undetermined reasons.

3. Two sports experts of Mlada Fronta were dismissed and two others warned they faced dismissal for a lukewarm attitude toward communism.

**Navy Test Plane Reported To Have Flown 700 MPH**  
Washington, Oct. 1—(AP)—In its early flight test phase, a jet-powered research plane, the Douglas Skyrocket, has topped the speed of sound in a power glide, it was learned today.

The actual speed of the swept-wing ship was reported to be slightly over 700 miles an hour.

The air force X-1, another experimental plane powered only by rocket motors, has approached 1,000 miles an hour for very short periods. It is the first in a series of research planes in the air force super-sound test program. Much faster performances will be sought.

The navy's Skyrocket is still undergoing tests. Persons familiar with its development said it is hoped to exceed 1,000 miles an hour in the next phase of its flight tests.

Under the altitude and temperature conditions at which the Skyrocket's reported fastest first stage flight was made, the velocity attained was approximately one and 3/100ths times the speed of sound. Sonic speed normally is 761 miles an hour in air at 59 degrees, but sound slows up as the temperature goes down so that in the upper air it is as low as 660 miles an hour.

## Retail Workers Strike Over Hours In Granite City

Granite City, Ill., Oct. 1—(AP)—Two hundred food clerks went on strike in this area today and 325 other clerks were sent home by clothing, hardware and other store owners.

The strike was voted last night by members of Local 435, AFL Retail Clerks' union. They decided not to strike non-food stores, but a spokesman for the other owners said they did not consider it fair that food stores alone should be penalized.

All the store owners have been negotiating with the union over an employee demand for a reduction from 45 to 40 hours in the work week without a change in pay.

Sixty food stores and 30 other establishments in Granite City, Madison, Venice and Nameoki are affected. Only small stores where their owners and their wives acted as clerks remained open. Many food shoppers had to travel to other communities for their week end shopping.

Fickets were posted in front of some of the food stores.

## Convict Gets Six Days Of Freedom To Hear His Music

Big Spring, Tex., Oct. 1—(AP)—Frank Grandstaff, Tennessee convict, arrived by plane today to hear the musical composition that won him six days of freedom.

Grandstaff traded his prison stripes for a gray tweed suit and walked out the gate of the prison at Nashville this morning to fly off to Texas.

The Tennessee lifer was met at the prison gate by Earl "Shine" Phillips, Texas druggist and author of a book which inspired Grandstaff's 70-page Cantata about the town of Big Spring, Texas.

The two of them, joined by pilot Roy Prim and Sheriff Bob Wolf of Big Spring, then boarded a private plane at 8:30 a.m. (CST) for the west Texas community. There Grandstaff will hear his composition performed by a male chorus as Big Spring launches a centennial celebration tomorrow.

"It's wonderful—really wonderful," said Grandstaff, peering through rimless glasses at Warden Glenn Swafford, who pumped his hand in farewell.

## China Reds Formally Set Up Government In Peiping

By The Associated Press  
China's communists yesterday (Saturday) formally proclaimed their new government in Peiping with Gen. Chou En-Lai, an old hand at negotiating with Americans, as premier and foreign minister.

Mao Tze-Tung, the chairman or head of the new government, read the proclamation at a mass rally. The proclamation invited international recognition of Mao's regime as China's "sole legal government."

A broadcast from Peiping said Mao officially proclaimed "the formation of the Central Peoples government of the peoples republic of China." The broadcast was monitored by the Associated Press at San Francisco.

General Chou was the communist No. 1 negotiator when General Marshall tried to bring the Reds and the Nationalists together shortly after the end of World War II.

Of all the communists in the new regime, Chou probably is the best known to American officials in China.

Chou also is a member of the 63-member ruling "Government Council."

Another member is Li Li-San, Moscow-trained, Li once broke with Mao because he considered the communist chief unorthodox. Some observers have considered Li a rival to Mao in the fight for power.

## US Merchant Ship In China Asks Aid Against Nationals

Shanghai, Oct. 1—(AP)—The skipper of one of three U.S. merchant ships stopped by the Nationalists off Shanghai asked United States government aid today, saying he was denied permission to move to avoid a storm.

Capt. Henry Scurr of the flying Independent notified his line's agent that a Nationalist destroyer was forcing him to remain anchored at the entrance to the Yangtze river. He feared for the ship's safety because that area is considered dangerous in bad weather.

The message was turned over to the U.S. consulate for transmission to the State department. The Naval attaché also passed the message on to the chief of naval operations at Washington.

Standing by the Independent was the British Frigate St. Bride's bay. Scurr messaged that Nationalist threats ceased when the warship appeared. He had radioed earlier that the Nationalist destroyer was threatening to fire on his ship.

## Last Cargo Plane Of Berlin Airlift Arrives At Goal

Berlin, Oct. 1—(AP)—It was taps for the Berlin airlift last night. The last plane of the lift, a U. S. Air Force C-54, carried news correspondents and coal from Frankfurt to Berlin. A band played and the Tempelhof commander, Maj. Gen. John K. Barr, hailed out the last sack of coal in the plane.

That was the last act in the 15-month life of the air lift. During those 15 months the Americans and the British made more than 275,000 flights over the Russian blockade into Berlin, carrying more than 2,300,000 tons into the beleaguered city. The airlift's success forced the Russians finally to back down and lift their blockade.

To the end their operation was a record breaker. It had been planned to end Oct. 31, but airmen kept flying in the food and supplies at such a rate that the last plane arrived yesterday, a month ahead of schedule.

In closing down the air lift, both the Americans and the British said they would maintain training squadrons in Germany. Representatives of both nations said they could start the aerial supply again rapidly should it become necessary.

## Improve Freight Yard In Evansville

Chicago, Oct. 1—(AP)—Preliminary work has started on a \$750,000 freight yard improvement program in Evansville, Ind., the Chicago and Eastern Illinois railroad announced today.

Clair M. Roddewig, C & EI president, said 20 new tracks will be added to the 15 in operation at Evansville and a new yard office of modernistic design will be built. Other improvements also are planned.

"The C & EI is now catching up with the great increase in Evansville industry," Roddewig said.

## 1 Killed, 1 Hurt In Auto Accident

Chicago, Oct. 1—(AP)—A Gary, Ind., man was killed and his companion injured today when their automobile apparently went out of control and smashed into a building on the south side.

The dead man is Kenneth Johnson, 24, negro, of 2329 Connecticut street, Gary. His companion, Wesley Huley 24 negro of 1915 Penn street Gary, was driving the car.

Huley was taken to the Jackson park hospital with a fractured nose and possible internal injuries. Police said no witnesses to the crash at the three-way intersection of 75th street, Woodlawn and South Chicago avenues have been found.

## INDIANAPOLIS WINS

Montreal, Oct. 1—(AP)—Behind the three hit pitching of Joe Mui, Indianapolis of the American Association tonight scored a 5-1 victory over Montreal of the International league in the first game of the best-of-seven little world series.

## Steel Strike Puts U.S. Idle Past 1,000,000

### Report Yugo Bolsters Troop Power In East

Belgrade, Yugoslavia, Oct. 1—(AP)—Unconfirmed reports said tonight Yugoslavia has bolstered her troop strength in the east. On the diplomatic front Bulgaria joined three other Cominform countries and Russia in denouncing friendship and mutual aid treaties with Yugoslavia.

An official report said Premier Marshall Tito had reviewed "grand maneuvers" of his troops and pledged to defend the country against all comers.

Tito snapped back at Russia. In a bitterly phrased note Yugoslavia accused Russia of warmongering, bullying and treachery.

The note charged that the Soviet Union had applied "blackmail pressure" in the Balkan cold war of nerves between the Communist nations led by Russia and Tito's independent government.

It marked the latest, and perhaps most furious, development in a quarrel which began 15 months ago when the Cominform countries under Moscow's lead denounced Tito on charges he was pursuing anti-Soviet and nationalistic policies.

The unconfirmed reports said Tito had shifted troops from the west to the east.

In today's note, Yugoslavia said that Russia, by renouncing her treaty of friendship and alliance with Yugoslavia had committed a "hostile act."

Prior to Bulgaria's action, both Hungary and Poland had followed Russia's lead in denouncing similar treaties. Czechoslovakia is expected to take the same step. The remaining Soviet Satellite states probably will follow suit, and all may be laying the basis for formal diplomatic breaks with Belgrade.

## New State Board Of Welfare Named By Gov. Stevenson

Springfield, Ill., Oct. 1—(AP)—Governor Stevenson today appointed a new state board of welfare commissioners.

The appointees included two women—Mrs. Edison Dick of Lake Forest, a director of the Illinois Childrens Home Aid society, and Mrs. Evelyn Johnson, Champaign, widow of the late legal counsel for the University of Illinois.

Also named were Herman Dunlap Smith, Chicago insurance executive; John E. Cassidy of Peoria, former state attorney general, and Harris Perlstein, Glenview, a brewing company president who is active in Jewish welfare work.

The five member board is an advisory group to the governor and to the state welfare director, who has supervision of the state mental hospitals.

## 3-Car Collision Kills 2, Injures 5 Near Peotone, Ill.

Peotone, Ill., Oct. 1—(AP)—Two persons were killed in a three-car collision today at U.S. 45 and Peotone Road two miles west of here. Five persons were injured.

The dead were Fred Clifton, 31, of (1415 Grand) Waukegan, Ill., and his wife, Rose, about 30.

Most seriously injured was Dale Eldridge, 25, of (Route 2) Iowa Falls, Ia., who may have a fractured skull. The injured, taken to a hospital in nearby Joliet include Melvin Cook, 41, of (21 West 144th street) Posen, Ill., and three other members of the Eldridge family—Dale's mother, Clara, 48; his father, Vincent, 53, and his wife Edith 23.

State patrolmen reported an automobile driven by William Cravens, 30, of Dixmoor, Ill., collided with the Clifton car, knocking it into the other lane of traffic where it was struck by the Eldridge car. Cook was a passenger in Cravens' car. Cravens was not injured.

Cravens was charged with failing to stop at a stop sign and was released on bond.

## 10 Die In Crash Of B-17 Rescue Plane During Rain

Ranton, N. M., Oct. 1—(AP)—Ten men, three of them from Biggs Air Base, El Paso, Tex., were killed last night in the crash of a B-17 rescue plane near here.

The plane struck about 150 feet below the top of 9,500-foot Lynwood Mesa seven miles north of Ranton. James R. Barber, editor of the Ranton Range, said clouds covered the hills and it was raining when the ship crashed about 6:15 p.m.

Wreckage was scattered over 400 yards. Only the tail section remained intact.

Seven crew members killed in the crash were stationed at Lowry Air Base in Denver.

## KIT CARSON FILM BANNED IN MEXICO

Mexico City, Oct. 1—(AP)—The Interior department today seized the film "Kit Carson" whose showing caused a patriotic outbreak in Puebla last night.

Shouting students caused cancellation of the showing of the film, which deals briefly with the Mexican army and shows the Mexican flag being lowered over California.

## NAMED FIELD AGENT

Springfield, Ill., Oct. 1—(AP)—George C. Mayhew of Greenville today was named a transportation field agent in the state school superintendent's office. Superintendent Vernon L. Nickell announced the appointment. Until recently Mayhew was public service supervisor for the Illinois Commerce commission.

## Industry On Stockpile Operations

By The Associated Press  
The twin steel-coal strike has shot the nation's list of strike idle past the million mark for the first time in three years.

Much of America's industry, its vital supply lines pinched off, went on stockpile operations.

But even if both strikes drag on, industry generally will have a breathing spell of three weeks to a month. Stockpiles are that large.

Government mediators say they'll keep trying for a steel settlement, both sides willing. But there was no other peace talk the first day of the strike.

**President To Stay Out**  
White House officials in Washington repeated that President Truman—who obtained three strike postponements—had no plans to intervene again.

The American Can company and two smaller steel firms signed contracts with the steelworkers near the strike deadline. On Saturday another smaller firm, John A. Roebing & Co., of Philadelphia, agreed to a company-paid insurance and pension program.

Preliminary estimates indicated enough steel is on hand to last three weeks or a month. The Bureau of Mines estimated coal stockpiles are ample for 48 days. The steel strike will stretch coal supplies even longer.

Some industries are better stockpiled than others. The auto industry, which gobbles up 18 per cent of the total steel production, is all set for three to four weeks.

**Would Halt Production**  
But a strike of that duration would halt production of nearly all refrigerators and ranges.

After three weeks, a steel strike would send unemployment soaring and tighten its strangle-hold on industrial output.

Among the first to be affected would be another 500,000 steelworkers in fabricating plants who handle directly the steel produced in basic plants.

Airplane manufacturers, too, use a large amount of steel.

The agriculture department made a quick survey to learn whether the steel strike will disrupt its corn storage program.

No one estimated how a strike would affect the defense program.

The steel strike will cost workers about \$33,000,000 weekly in wages. The industry will lose millions in weekly profits.

Besides the 913,000 idle in the coal-steel dispute, 110,000 workers are out in a dozen other industries. The strikers include railroad workers, machinists, cotton pickers, foundry workers, dock workers, sugar workers, leather workers, farm equipment workers, and airplane workers.

## U. Of I. Pays 3 Counties \$42,000 For Property Tax

Champaign, Ill., Oct. 1—(AP)—The University of Illinois paid \$42,234.73 to three counties today in lieu of taxes on its income-producing property.

The sum, retroactive to 1944, was the same amount as would have been assessed by local taxing bodies against privately owned property.

Heretofore, all university-owned property was exempt from taxation. An act of the 1949 state legislature continued the exemption but authorized the university to make payments in lieu of taxes on income-producing property used for non-educational purposes.

To Champaign county the university paid \$23,529.58 on 45 houses rented to staff members, several business properties and farm land. Piatt county received \$11,313.91 on farm land given to the university by Robert Allerton. DeKalb county was paid \$7,451.24 on farms bequeathed by former Senator Harry G. Wright.

The rural land is farmed for profit rather than research purposes.

## CANCELS HOLY HOUR

New Orleans, La., Oct. 1—(AP)—Catholic Archbishop Joseph Francis Rummel said today he has canceled the annual observance of Holy Hour here tomorrow afternoon because city park commissioners insisted on racial segregation.

## WEATHER

The Norbury Sanatorium, cooperative observer for the U. S. Weather Bureau, yesterday reported the temperatures for Saturday as follows: High, 76; low, 38; and at 6 p.m., 64. Forecast for Illinois—Fair and slightly warmer today. High 78-82.

**ILLINOIS RESPONDS TO POLIO APPEAL**  
Illinois, now second among states in polio incidence with 2224 cases reported up to and including September 21 by the Illinois State Department of Public Health, responded generously in the \$14,500,000 Polio Emergency Drive of the National Foundation for Infantile Paralysis, according to the organization's state representatives.  
Although the total amount collected will not be available until after an official audit, it is reported that funds were contributed in every county, many towns and cities, conducting house to house solicitations and staging special events to supplement the postal campaign in which donations were addressed "Polio," care of local post offices.  
While the mail campaign will continue indefinitely, this is "clean-up" week in other phases of the drive.  
Illinois chapters report that the National Foundation has met every emergency request for money, personnel and equipment during the year's record epidemic.  
During the week ending September 17, the Foundation sent Illinois chapters \$30,400. During the same week, 16 additional nurses, recruited for the Foundation by the American Red Cross, were assigned to emergency polio duty in the state. Emergency shipments of medical equipment during the period included five respirators and one hot pack machine.  
This brought the Foundation's total assignments to the state for the year to \$286,475,000, 38 respirators, 29 hot pack machines, 211 nurses and 12 physical therapists.

**Lunch Conference**

Ways of adding appeal and good nutrition to school lunch menus without upsetting the food budget will be shown during a pictorial baking demonstration, to be given at the Morgan county school hot lunch conference, being held Friday, Oct. 7, in conjunction with the Morgan county teachers' institute.

**MISS HELEN RODGERS**  
The demonstration, which is being given in the interest of school lunch managers and workers, will be presented at the high school at 2 p. m. by Miss Helen Rodgers, east central representative of the Wheat Flour Institute of Chicago.  
Miss Rodgers, who will be the guest of Stelle Graff, state supervisor of the school lunch program in Illinois, will present the demonstration by means of colored slides. Mr. Graff has announced that copies of the recipes used by Miss Rodgers will be available for free distribution to those attending the conference.  
**Discuss Food Storage**  
Others featured on the conference program besides Miss Rodgers will be Frank Keistler, Jr., auditor of the school lunch program, who will discuss "Record Keeping"; Isabelle Scott, area supervisor, school lunch program, who will have as her topic "School Lunch Menus, Food Preparation and Food Storage"; and Douglas Morton, senior sanitary engineer of the Department of Public Welfare, whose address will be on "Sanitary Practices on the School Lunch Program."  
The conference will get underway with registration from 8:45 to 9:15 a. m. Friday in the front hall of Jacksonville High school.  
Both the morning and afternoon session will be concluded with music by the Ebonaires, original Deep River boys.  
The District of Columbia has 34 miles of railway.

**HONEYMOON IN CANADA**

**MR. AND MRS. J. PHILIP MORRIS**  
Now on a wedding trip in Canada are Mr. and Mrs. J. Philip Morris, who were married Friday morning, Sept. 23, in a single-ring ceremony at the Congregational church.  
The couple are shown cutting their wedding cake during a reception at the Jacksonville Country club. Upon returning from Canada, they will reside in this city, where the bridegroom is in business.  
Mrs. Morris is the former Miss Evelyn Bernice Hills, daughter of the late Mrs. Eula Hills of this city. Mr. Morris is the son of Mrs. Bertha E. Morris of Los Angeles, Calif., and the late Oscar Morris.

**Mary Rose Mollenbrok**  
**Weds John E. Doyle**

**Popular Couple**  
**United Saturday**  
**In Church Rites**

The Church of Our Saviour was the scene of a lovely wedding Saturday morning at 9 o'clock, when Miss Mary Rose Mollenbrok, daughter of Albert A. Mollenbrok, 827 West Lafayette avenue, and the late Rose E. Mollenbrok, became the bride of John Edward Doyle, son of Mrs. Catherine Doyle, 1135 South Clay avenue, and the late John M. Doyle.  
The vows were received in a double-ring ceremony performed by Rev. Father John Morris, who was also celebrant of the nuptial Mass which followed. Dean Towers and Jimmie Phalen were the acolytes.  
For the wedding occasion, the main altar of the church was banked with large baskets of yellow and white chrysanthemums and gladioli, arranged amidst a setting of ferns and lighted tapers.  
**Organ Prelude Presented**  
Preceding the ceremony, Mrs. Alta Eisch, church organist, presented a 15-minute recital of organ selections, including "Agnes Dei" by Bizet, "Arioso" by Bach and "Benediction Nuptiale" by Saint-Saens. At the offertory, Mrs. Eisch played "Panis Angelicus" by Franck.  
Acting as maid of honor for her sister was Miss Barbara Mollenbrok of Chicago. The best man was T. Joseph Doyle, brother of the bridegroom. Joe Mollenbrok of Peoria, brother of the bride, and Harold Loneragan of this city seated the guests. Miss Elizabeth Ann Kramp of Springfield, cousin of the bride, served as flower girl.  
Goddess silk lace over white satin, fashioned the gown worn by bride, who was given in marriage by her father. The gown featured Queen Anne neckline, close bodice, sleeves tapering to points over the hands and a bouffant skirt which terminated in a chapel train.  
**Vell of Swiss Illusion**  
The bridal veil, fingertip in length, was of sheer Swiss illusion, edged with triple rows of hand tucking and secured to a Queen Anne bonnet of material matching the wedding gown.  
As her only jewelry, the bride wore a single strand of pearls, gift of the bridegroom. She carried a showered corsage of white roses atop her prayerbook.  
The maid of honor was attired in a gown of emerald green tulle, styled after the bridal gown. Matching tiara and mits completed the ensemble. A similar gown of white tulle, featuring fluted collar and pointed bodice, was worn by the flower girl. She also wore a tiara and mits of emerald green.  
The honor attendant's bouquet was of yellow button mums, tied with satin ribbon. The flower girl carried a basket of yellow and white rose petals.  
The bridegroom's mother chose a black crepe dress, with which she wore matching accessories and a corsage of pink roses.  
**Breakfast, Reception**  
Following the ceremony, a wedding breakfast was served at the Dunlap hotel for members of the wedding party and their guests.  
During the afternoon, from 2 to 4 o'clock, a reception was given at the bride's home, which was decorated throughout with fall flowers. A medley of piano selections was played by Miss Mildred Eubank of this city.  
The serving table was centered with a three-tiered wedding cake, flanked by lighted tapers. Presiding at the table were Mrs. T. Joseph Doyle, Mrs. Alfred Kramp and Mrs. Paul Curtis.  
Assisting with the serving were Mrs. James Gaitens of this city, Mrs. Lucille Pendarvis of Trivoli, Mrs. Mary Jane Terlizzi of Rock Falls, Mrs. Mary Reint of Springfield, Mrs. Catherine Potter of Evanston, Miss Jean Russell of Peoria, Miss Barbara Kennedy and Miss Velma Mitchell of Jacksonville. Others assisting at the reception were Mrs. George Woodward of Pekin, Miss Mary Ellen Phalen and Miss Ethel Swanson of this city.  
**Leave For East**  
Mr. and Mrs. Doyle then left on a wedding trip through the East. For traveling, the bride chose a suit of forest green gabardine, with brown accessories and her bridal corsage.  
A graduate of Routt High school and Illinois college, Mrs. Doyle was formerly on the staff of Lafayette school.  
Her husband is also a graduate of Routt High school and Illinois college. He is now employed at the Illinois Steel Bridge company.  
Upon returning from their wedding trip, the couple will reside at 829 West Lafayette avenue.

**At Westminster**

Westminster Presbyterian church on West College avenue is undergoing a series of exterior and interior improvements.  
The first stone church in Jacksonville, built 50 years ago Westminster has been given a new roof, new frescoing throughout the entire church, sanding, varnishing and waxing of the floors, and renewing of all wood work. It is planned to continue with the sand-blasting, pointing and painting of the exterior of the church so that the building, within and without, will present a new appearance.  
For the first time since the work of renewing was started, the worship service will be held in the beautiful auditorium Sunday morning.  
Children to be christened at the morning service are Mary Alice Andras, little daughter of Mr. and Mrs. Cary Andras; Alice Francine and Bruce Robertson Harris, children of Mr. and Mrs. Frank R. Harris; Suellen and Edward Lambert Killam, children of Mr. and Mrs. Edward L. Killam, Jr. and John David Kirchhoefer, little son of Mr. and Mrs. Clarence G. Kirchhoefer.  
New members to be received at the morning service are Mr. and Mrs. William Ash, William Holley Ash, Mary Katherine Ash, Mrs. Frank R. Harris, Mr. and Mrs. Harold DeHaven Kamm, Mrs. Edward Lambert Killam, Jr., Mrs. W. P. Scott, Mr. and Mrs. H. Clark Stevenson and Clark Reed Stevenson. The general public is cordially invited to the service which begin at 10:45.

**JEKYLL-HYDE TV CAMERA**  
New York—(P)—Here's a trick of the television trade: To overcome the difficulty of trying to show the transformation of one person into another, the basis of the story of "Dr. Jekyll and Mr. Hyde," a special camera arrangement has been effected. As Dr. Jekyll slowly becomes his "other self," the camera is made to interpret the action as if it were the eyes of Hyde.  
Hyde as a person is not seen, only Dr. Jekyll before and after the change.

## YOU ARE YOUR FAMILY'S TRUSTEE

The Question Is: Are You A Good Trustee?

Illustrating The Problem In An Estate of \$15,000

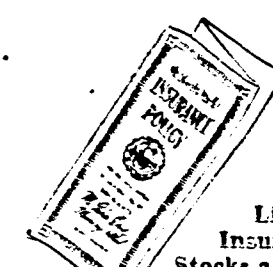

Even without estate or inheritance taxes, the cost will be exceedingly high.

This is the true story of a man in Chicago, with a wife and one child. At the time of his death (at age 44) he had accumulated the following estate:

**THE PROPERTY THIS MAN OWNED--Total Assets \$15,547**

Cash \$417.37

Life Insurance Stocks and Bonds \$4,230

Car and Misc. \$2,100

House \$6,800

He had told his underwriter that \$1,500 would pay his debts and bury him. Here is what a months illness and death actually did cost his estate.

The Obligations He Left Behind		Total Cash Demands--\$4,577	
Doctor	\$250	Debts Outstanding	\$923
Nurses	\$260	Income and Personal Property Taxes	\$276
Hospital	\$325	Miscellaneous	\$296
Medicine	\$173	Executor	\$492
Undertaker and Lot	\$925	Lawyers	\$492
		Executors Bond	\$ 90
		Court Costs	\$ 75

Anticipated Needs	\$1,500
Actual Needs	Over \$4,500

Life insurance is not an expense but a method of saving money. The net cost of Northwestern Mutual Life Insurance is lower than the net cost of any other company in the United States. This fine record is not just for one year—but covers a period of more than half a century.

## Driving '50 Nash—Safer, Easier

Instrument panels of the 1950 Nash Airflyte series have been completely redesigned, with all driving instruments clustered centrally in the "Uniscop" and with frequently used controls on the left side of the steering wheel for easy access by the driver. Less frequently used accessory controls are inset and grouped on the radio receiver panel. An interesting feature of the redesigned 1950 "instrument" panel is a sliding "bin type" drawer glove compartment (below radio) replacing the conventional "drop-door" type used in previous models.

**Name Chairman  
For Homecoming  
At Meredosia**

Meredosia—A home coming, to be held in connection with one of the football games, is being planned by the Meredosia high school. The event will take place within the next few weeks, but the exact date is not yet definite. Darryll Tegeder has been elected home coming chairman.

The first school paper of the new year is being published on Friday. It is published once a month during the school year.

The girls' gym class has organized a Girls' Athletic association, with Theta Hobbs as president and Mrs. Habben, the physical education instructor, as sponsor. The group will celebrate its organization with a day-ride and wienner roast Monday night.

The senior class is holding an all-school party on Friday night. There will be square dancing and various games.

New York has 2,554,162 people between the ages of 5 and 24 attending school—more than any other state in the union.

Several carloads of local people have driven to Bloomington recently to see the big outdoor display and to take advantage of the special prices. Evergreens, many kinds at 10¢ each. Strawberries, 2¢ each. Peonies and many other perennials, each meeting, as well as topics 5 for \$1. Weeping Willow trees, \$1. African Violets, 15 kinds, 25¢ to \$2. but still of vital interest to the average woman. Instructions in various handi-crafts are available for Home Bureau members. The new crafts, East Oakland. Sunday hours, 10 to 5: week days, 8 to 5. You are invited. Free gift if you clip this and hand to clerk. You don't have to buy anything.—Adv.

**Home Bureau Sets  
Membership Goals**

A goal of 100 new members has been set by the Morgan-Scott Home Bureau for its annual membership drive, which gets under way on Monday, Oct. 3, and continues through the ensuing two weeks.

Each of the 30 Home Bureau units in the two counties have appointed membership committees, which will be actively engaged in trying to boost the present membership of 493.

The vice chairman of each unit will head her respective committee. Mrs. W. G. Watt and Mrs. James Dunlap are general co-chairmen.

**Tea For Members**  
The drive will be climaxed with a tea for new and old members on Sunday, Oct. 16, from 2 to 5 p.m. in Farm Bureau Hall.

Mrs. Mildred M. Seaman, former home adviser, will be especially honored at the tea.

Prospective members will be contacted during the next two weeks and invited to join the Home Bureau. Any woman in either Morgan or Scott county may become a member by subscribing to the articles of the association and paying the annual membership dues.

**May Call Home Bureau**  
Those who are interested in becoming members and are not contacted by a committee representative are urged to call the Home Bureau, phone 1120, for additional information.

Home Bureau work offers a woman an opportunity not only to become better homemakers but also to broaden their scope of interest. Stimulating and informative lessons on subjects covering all phases of homemaking are presented at each meeting, as well as topics reaching outside the realm of home. Plans are also being formulated for organizing a Home Bureau chorus.

**Banquet Speaker**

LESTER O. SCHRIVER

The annual candle lighting dinner in celebration of Founders' Day at MacMurray college will be held Tuesday evening, Oct. 11, at six o'clock, in McClelland hall.

Speaker of the evening will be Lester O. Schriver of Peoria. Special music and the candle lighting toast, given by Miss Bette Ryan, A.B. '42, of Chicago, will complete the after-dinner program.

All graduates and former students of the college are invited to the dinner. Reservations should be made with the alumnae office on or before Oct. 8.

**Services Sunday  
For Jennie Milnes  
Of Carrollton**

Carrollton—Funeral rites will be held at the Mehl Funeral Home Sunday at 2:30 p. m. for Miss Jennie Milnes, who passed away at her home here Thursday evening following a lingering illness.

The services will be conducted by Rev. Marshall D. Ulm. Interment will be in City cemetery.

Miss Milnes, daughter of Joseph and Mary Green Milnes, was a lifelong resident of Greene county. She was 81 years of age at the time of her death.

Survivors include her cousins, Mr. and Mrs. Arthur Walter, who made their home with her.

**VISIT AT MEREDOSIA**

In Poster Contest**

LeRoy Raffel and Peter Huston, both of the Illinois School for the Deaf, took top honors in a poster contest sponsored by the Illinois State Employment Service, in cooperation with the Illinois Chapter of the Disabled American Veterans and American Legion in behalf of National Employ the Physically Handicapped Week. L. N. Caldwell, manager of the Jacksonville I.S.E.S. office announced Saturday.

LeRoy Raffel won first place in Class I, which was open to art students in the 10th, 11th and 12th grades in public and parochial schools, while Peter Huston placed first in Class II, which included art students in 7th, 8th and 9th grades.

Others winners are Henry Milton, second, and Patricia Chisholm, third, both of Illinois School for the Deaf. In Class I, Loraine Pahlman of Chapin placed second and Joyce Ashbrook of Arenzville, third in Class II.

For having created the blue ribbon entries, Raffel and Huston will receive five dollars each, which has been donated by the American Legion Posts of Jacksonville, Chapin and Arenzville. Second place winners will receive three dollars each and those placing third will each receive two dollars. In addition to the prizes mentioned, each student who submitted a poster will receive a free theatre ticket made available through the courtesy of the Fox Illinois theatre.

In addition to these prizes, Caldwell said that the winning posters will be sent to Chicago where they will be on display during the week of Oct. 2-8 in the lobby of the world's largest commercial office building, the Merchandise Mart, and will compete with local winners from all over the state. The final judging will take place on Oct. 4, and the creators of the six top entries throughout the state will receive a two-day all-expense trip to Chicago, contributed by the Illinois Chapter of the Disabled American

**PROOF! MORE POWERFUL! MORE EFFICIENT!**  
The exclusive MONOGRAM burner produces more BTU's of heat for its size because it is more efficient—it gets as much heat as possible from every single drop of oil. It has a wider range of operation from a very low minimum for mild weather to a higher heat output than any other burner of the same size. There is nothing better than a MONOGRAM.

**PROOF! OIL VAPORIZES FASTER—MORE COMPLETELY!**  
Instead of burning from a pool of oil in the bottom of the burner, as most oil burners do, MONOGRAM turns the oil into gas quicker, more completely, thus providing a clean quiet gas flame made from oil. No wonder users of MONOGRAM burn less oil and do a better heating job.

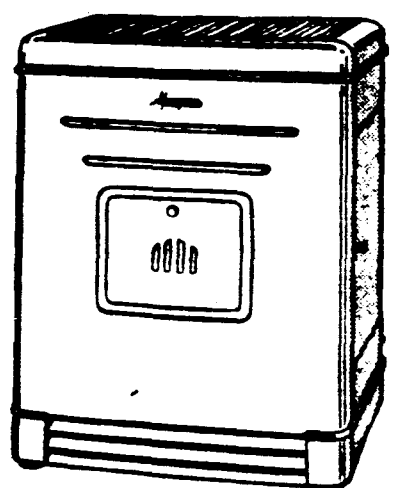

**PROOF! EXCLUSIVE DOUBLE-SHELL BURNER!**  
Automatically mixes air with the gas made from oil in exactly the right amount to get the most heat from the oil. Such perfect mixture of air and gas must burn clean—such a clean flame must be efficient. No other burner has this feature. No wonder then that MONOGRAM oil heaters need such little attention.

**PROOF! TURBULATOR RING at top of burner mixes secondary air at point of combustion. Secondary air is what makes a smouldering fire burst into flame—it is important then to mix it just right in an oil burner. Notice how the Turbulator Ring has 32 teeth or channels which split up the air and inject it at the top of the burner producing a lively, high-powered flame. No other burner has this feature.**

**PROOF! ROTOR PLATE MAKES SHORTER, WIDER, FLAME!**  
It provides thorough mixing of air and gas and spreads the flame, making it wider and shorter. This permits use of a double baffle and Twin Air Five Heating Units which stop rush of heat out the flue. Only MONOGRAM has this all important feature.

**TRIMATIC  
1 DIAL CONTROL**

The Trimatic control is the most practical control yet devised for oil space heaters. One dial controls (1) the flow of oil (2) the draft to burner (3) circulation of heated air with just One Motor and One Fan. Easy to operate—requires no adjustment. Another outstanding feature which makes MONOGRAM the World's Best Oil Heater.

## Paraplegics Ask No Favors

Los Angeles—(P)—UCLA's 59 paraplegic students ask no favors, and get none. They do all right without help. Paralyzed below the waist, they navigate in wheel chairs. But to the rest of the campus they are just fellow students—and good ones.

In four years, wheel chair students at UCLA have increased from two to the present 59. Forty-eight are veterans. Four of the non-vets are women. They registered for classes this year just like the rest of the scholars. They sit in the same classes, get the same assignments as anybody else. They major in such varied subjects as physics, psychology, law, business administration, economics and music. Last year three of them received straight "A's".

The University's office of veterans affairs, which looks after the rolling brigade, recently disclosed that the group has a higher grade average than the 4000 veterans on campus. The vets, in turn, are better students than the other undergraduates.

In colonial times, the branches of the witch hazel shrub served as diving rods in searching for water and ores.

# Yankees Lindell And Page Combine Talents To Net Tie With Sox

New York, Oct. 1.—(P)—Big John Lindell's 400-foot blast into the eighth inning today shot the New York Yankees into a tie for the American league lead — with one game to go — on a throbbing 5-4 victory over the Boston Red Sox.

Lindell's awesome clout off Joe Dobson backed up another eye-filling relief job by Fireman Joe Page who once again stopped the brawny Red Sox in a 6 2/3 innings chore.

Trailing 4-0 in the early innings, the plucky Yanks made Joe DiMaggio Day an afternoon long to be remembered by the 69,551 present by erupting against Mel Parnell in a game-tying rally. Two big hits by Jolting Joe helped Chase Boston's 15-game winner.

Joe Page

Now it all hangs on one game, to be played tomorrow in the Yankee Stadium. With the teams in an exact tie for first place, this adds up to the same thing as a one-game play off. Actually it will be the last day of the regular season, climaxing a 154-game drive to the wire.

Vic Raschi (20-10) is due to be the Yanks' best bet for the big money game that will decide the league's World Series entrant.

Marse Joe McCarthy of the Red Sox is expected to start Ellis Kinder, his 23-game winner with 13 consecutive victories.

Trailing by a game with only two to play before this tingling contest, the Yanks now are at least an even bet to climax their season-long drive with another championship.

The heat was on them, now it's equally divided. Probably no player in modern baseball ever was under more pressure than Joe DiMaggio this brilliant fall afternoon.

Wan and weak from a two-weeks virus infection siege, the Clipper dragged himself from his hotel room for two days to make ready for this Roman holiday. Before the game he stood for almost an hour to receive a freight train load of gifts that ranged from a new Cadillac to free harboring service.

A cash donation of some \$7,500 was to be turned over to the Damon Runyon cancer fund and the heart fund.

Here were the Yanks trailing 4-0, in the fourth with DiMaggio, who struck out in the first inning, leading off, Joe sliced a drive that bounced into the right field seats for a double and the Yank revival had started. Before the inning was over, a pair of singles by Hank Bauer and Lindell and a fly by Jerry Coleman sliced the Sox's lead in half.

Again in the fifth inning, after Parnell retired in favor of the Veteran Joe Dobson with the score 4-3 it was Joe D. rapping a single off Dobson's glove that loaded the bases with none out. Eventually they tied the score when Billy Johnson bared into a double-play, letting in Tom Henrich with the fourth run.

Page, making his 60th appearance and 20th in relief off starter Allie Reynolds, didn't have it at first. He walked Al Zarilla and Billy Goodman with the bases loaded in the third inning, forcing across the last two runs Boston was to get.

After that he was invincible, allowing only one hit in the 6 2/3 inning stint.

That left it all even when Lindell, who had hit only five previous homers this season and none since July 31, came to the plate in the eighth. Two were out and Dobson was breaking. Lindy, who has been something less than a hero at the Stadium this year, cracked a tremendous drive that must have landed 20 rows back in the lower left field seats. That was the ball game.

## Michigan Powers Over Stanford In 27 To 7 Contest

Palo Alto, Calif., Oct. 1.—(P)—Mighty Michigan steam-rolled over a willing but outclassed Stanford football team today by a 27 to 7 count.

A crowd of 85,000 fans, the largest of the season here, saw the Wolverines' wingback attack pulverize Stanford's defense for three touchdowns in the third period, after being held to a 7-0 lead at half time.

Michigan, undefeated since October, 1946, when Illinois turned the trick, racked up its 25th consecutive victory since then.

Coach Benny Oosterbaan's hard-charging line flattened Stanford's less experienced crew on both offense and defense. Behind awesome blocking, the blue-jerseyed ball packers from the midwest ripped and ran through huge holes.

The Michigan men burly and certainly well drilled in their business, exploded like charges of dynamite. The Wolverines, seven point favorites to start the game, crossed the Stanford goal in the opening quarter after a 59-yard march. Right half Leo Koeski went over for the initial marker from four yards out.

## Battle-Weary Cards, Dodgers Drop Vital Decisions In NL Race

Philadelphia, Oct. 1.—(P)—The explosive young Philadelphia Phils unleashed a deadly home run barrage in the late innings today to crush the Brooklyn Dodgers, 6 to 4, and carry the torrid National league race right down to the last gasp on the final day of the season.

Trailing 3-1 going into the sixth inning and baffled up to that time by Ralph Branca's shoos, the third-place locals suddenly boomed to victory on lethal wallops into the left field stands by Del Ennis, Andy Seminick in the sixth and Willie "Puddin'" Head Jones in the eighth. The three wallops drove across five runs.

Had they won, the Brooks would have been league champions tonight. Through much of the game they needed only to steal a glance at the big scoreboard in rightfield to see that the rebellious Chicago Cubs were taking another fall out of the St. Louis Cardinals, who now trail by one game.

But the collapse of their pitching staff today meant that the boys from Flatbush needed to defeat the Phils and their brilliant Russ Meyer in the final game tomorrow to make certain of picking up some world series checks.

Should the Dodgers drop another to the Phils and the Cards snap out of their trance and down the Cubs at Chicago, the two clubs would meet in a three-game play-off for the second time in three years.

## Michigan State Romps To 48-7 Win Over Marquette

East Lansing, Mich., Oct. 1.—(P)—A razzle-dazzle passing attack gave Michigan State an easy 48-7 win over an outclassed Marquette team here today.

Repairing the lack of aerial power that contributed to 7-3 defeat in the Michigan game last week, the Spartans made the business of throwing and snatching them for touchdowns look easy to the 30,101 spectators.

Senior quarterback Gene Click, back in the lineup after a knee injury, was the most potent power in the passing. Click threw for two touchdowns, one a 66-yard heave to Dorne Dibble and the other a shorty to end Bob Carey from the 11.

A Click-to-Red Gilman pass set up a third score on the one foot line and Sonny Grandelius walked over.

Sophomore quarterback Bob Click hit Carey with a 44-yard throw for another score. Click also set up a marker with a 28 yard completion and Lynn Chandois went 34 yards for the touchdown.

Chandois, with a spectacular 66-yard scoring run, shared the two touchdowns honors with Carey. Frank Waters went over from the one yard line to end another Spartan drive for the final MSC score.

## Illini, Badgers Tie 13-13; Pitt Upsets Northwestern 16 To 7

Champaign, Ill., Oct. 1.—(P)—Bernie Krueger's sharp passes—one of them good for 42 yards—set up a fourth quarter Illinois touchdown today which rallied the outplayed Illini into a 13-13 Big 10 football tie with scrappy Wisconsin.

After Wisconsin had hoisted a 13-7 halftime margin, Krueger's fancy aerial work shot life into Illinois beginning midway in the third period.

The Hammond, Ind., senior set home fans yelling with a 54-yard toss to Sophomore Ronnie Clark of East Chicago, Ind., from the Badger 20. Illinois moved to a first down on the 8, then failed to score.

Krueger kept up his overhead shots in the finale, only to have Al Jim Embach swipe two of them deep in Wisconsin territory.

Finally the 175-pound quarterback connected with Sam Piazza for 42 yards to the Wisconsin 15 and three plays later hit End Slip Kersulis for eight yards to the 5. Illinois gained only one yard in three line smashes. Then Piazza broke over center for a touchdown.

Lou Levanti's important placement with only three minutes and 45 seconds of the game to go, sailed wide.

It was the Illini's second tie in as many games this season. Iowa State held them to a 20-20 stanostill a week ago.

## Iowa State Slaps Kansas 19 To 6

Lawrence, Kans., Oct. 1.—(P)—Iowa State's Cyclones caught the University of Kansas Jayhawks butter-fingered today and marked up a 19-6 Big Seven conference football victory. It was their first triumph over the Kansas in four years.

A crowd of 20,000, a record turnout for a game between the two teams, watched the Iowans sweep into a two-touchdown lead in the second quarter. From there on in the Iowans had the situation in hand.

A fumble set up the first Iowa State touchdown. Fullback Forrest Griffith fumbled on his own 24-yard line and Iowa State's center Vince Beacom pounced upon it. On the next play shift Bill Weeks passed 14 yards to Bob Angle who raced 10 yards for the touchdown.

It was Angle, also who raced 52 yards to Kansas' one-yard marker to put Weeks in position to go over for the second touchdown.

And it was an intercepted Kansas pass that gave the Iowa Staters their third and last scoring chance. Flag during regular season play.

## St. Jo 11 Whips Eastern 12 To 6

Rensselaer, Ind., Oct. 1.—(P)—St. Joseph's twice-beaten Pumas turned two long drives into touchdowns today to beat Eastern Illinois' football team, 12-6.

The invaders from Charleston, Ill., 19-6 winner in the schools' first meeting there last season, scored first as End Russ Gere pounced on a first-quarter St. Joe fumble in the Pumas' end zone.

Gere fell on a misdirected pass from center that was aimed for Halfback Cliff Beaver. A placement kick by Eastern Quarterback Howard Boudreau was wide of the goal posts.

St. Joe marched right back on a 65-yard drive after the kickoff. Right Halfback Wally Monroe climaxed the drive with a five-yard dash to the end zone.

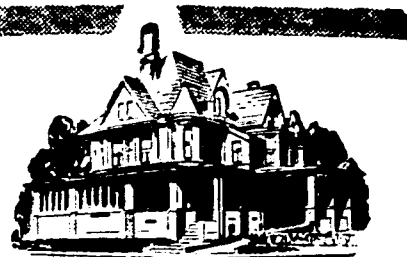

Quarterback Don Schuett's try for the extra point was blocked.

## Normal Smashes Millikin 13 To 0

Decatur, Ill., Oct. 1.—(P)—Illinois State Normal rolled over Millikin 13 to 0 in a football game today. All the scoring was in the final period.

State Normal, which never was threatened, started a 62 yard scoring drive late in the third quarter. It paid off early in the fourth when Dean Burridge went three yards around end for the touchdown.

Then Normal scored again on seven plays that netted 45 yards. Dick Daldini went off tackle for the final 14 and the touchdown. Burridge converted.

Normal made 16 first downs to five for Millikin.

**KANSAS STATE WHIPS COLORADO 27 TO 13**

Manhattan, Kas., Oct. 1.—(P)—Biram "Hi" Faubion, a lanky, slick-hipped sophomore, scored three touchdowns and passed for another as the Kansas State College Wildcats ended the nation's longest losing streak in major football today by upsetting Colorado 27-13 today.

Kansas State thus won its first Big Seven conference game since trimming Kansas University 16-14 in November, 1944.

## Third Quarter Scoring Barrage Nets Blueboys 27-6 Win At Principia

Principia College—(Special)—Illinois College's big, tough scoring machine waited until the third quarter before turning the heat on an underdog Principia eleven to spoil the Indians football inaugural by tamping them 27-6 on the Elsie, Ill., gridiron Saturday afternoon.

The Blueboys, who fought to a 6-6 tie with Millikin in their opener at Jacksonville last week, were slow getting underway and allowed the Principians to hold them to a scoreless stalemate the first quarter.

Climaxing a 56-yard scoring drive that started in the first quarter, Blueboy fullback Bill Gross tossed a 20-yard pass to reserve end Bob Harshman for the initial Blueboy touchdown. Gross' kick for the extra point failed. The pass combination of Grove to Gross set up the tally.

That's how it stood as the two eleven's rested at the intermission. Jacksonville Coach Al Miller saw two of his gridders sustain what might be serious injuries during first half action. Starting guard Bill "Butterball" Mathews suffered a dislocated shoulder in the mix-up that followed the opening kick-off.

**Don Longer Injured**

Blueboy Captain and End Don Longer sustained a badly twisted knee early in the second quarter and was forced to retire from the ball game. Both boys will be out of action against North Central at Jacksonville next Saturday, doctors reported.

Dave Billings, who missed the Millikin game because of a sprained foot, decided the issue in the third quarter. Billings, running from left halfback, cut through right tackle to score a Blueboy touchdown from thirty yards out. A few plays later Billings snagged a pass from Bob Grove to go 30 yards to pay dirt again.

Bill Gross led off Hilltopper scoring in the second half when he intercepted a Principia pass and waltzed 50 yards into the Indian end zone.

## Dr. Bokhof 81 Wins Tennis Tilt In 'Over 50' Play

New York, Oct. 1.—(AP)—Eighty-one year old Dr. David M. Bokhof, tennis whiz from Freeport, Ill., emerged victorious for the second time today to remain self-proclaimed "over 50 champion," defeating Charles A. Robinson, 83, of East Orange, N.J., 6-0, 4-6, 6-4, at Forest Hills.

Dr. Bokhof, who several weeks ago challenged any player 50 years or older, has had many requests for matches and in his first match, tumbled Francis Thomas O'Brien of Chicago, 6-4, 6-4.

The first set today was an easy win for the younger Dr. Bokhof, but Robinson was quick to come back to take the next set, leading most of the way. The physician pounded away from the baseline in the final set to eke out the victory.

## Carlstedt Leads ISD To Win At Petersburg

Petersburg—Art Yates and his ISD Tiger footballers roared to a 15-0 shutout win over Petersburg's eleven on the out-of-town gridiron Saturday afternoon.

It was Irvin Carlstedt's line-play above all that held the host Petersburg club scoreless for four action-packed quarters. The senior tackle, a standout last week even though his club lost to Carrollton, bolstered his mates on defense and widened huge gaps in the Petersburg line for his Tiger ball-toters.

After battling to in a scoreless deadlock for the entire third quarter, the Jacksonville westenders broke loose for nine tallies in the second. Irvin Carlstedt tallied for his Tigers when he nabbed a Petersburg ball carrier in his own end zone for a two-point safety. Carlstedt turned the same trick in the Carrollton defeat last week.

A 40-yard pass going from Alta Hood to Jim Villani scored the touchdown. Carlstedt chalked up his third point for the day (over pay for a tackle) when he booted the extra point.

Carl Briggs plunged over from the two yard line in the third quarter to give the Yatesmen their second touchdown, an ample margin for victory.

ISD backfield stalwarts doubled the count on their hosts in the first down alley, getting eight to Petersburg's four.

## Gophers Slaughter Nebraska 28 To 6

Lincoln, Neb., Oct. 1.—(AP)—Striking through the air in the first half and by ground in the second, Minnesota's big football team whipped Nebraska 28 to 6 today.

The crowd of some 37,000 fans saw Nebraska shackle the vaunted Minnesota ground attack in the first half. But Nebraska fell victim to the Minnesota air attack engineered by Billy Bye and trailed at the half, 14 to 0.

At the start of the third quarter, it was Nebraska's Fran Nagle who took over the aerial spotlight, passing Nebraska to a quick score, Ralph Damkroger receiving, Minnesota's line ace, Leo Nemellini, blocked the try for point.

Before the quarter ended, Nebraska had been hit for two Minnesota scores and the game was in the Gopher bag.

Bye's first half pitches for Minnesota touchdowns went to End Gordon Sallau for a 29-yard overall gain, and then to substitute Back Dale Warner for 12 yards. The By-Warner touchdown toss followed a 29 yard run by Bye on a fake pass. Sallau placekicked both these points, plus the two in the third quarter.

## Routt Sextet Spoils Franklin Homecoming, Clips Flashes 33-19

Franklin — Paul Stroud's Routt good but left them lagging 25-13. Both teams scored again in the fourth quarter. H. Smith legged 35 yards for the Franklin score with only three minutes remaining in the ball game.

Each club scored again in the fourth quarter. H. Smith legged 35 yards for the Franklin score with only three minutes remaining in the ball game.

With four seconds of play remaining, Sonny Lonergan raked up the clinching tally for Routt when he churned around Franklin's left end. A. J. Spreen drop-kicked for two points on the conversion giving Routt a 33-19 victory.

Though he didn't score, Routt Halback John Kennedy was the leading ground-gainer of the day. The big ball-carrier averaged eight yards per try through the Franklin line.

The victory gave Routt a 2-0 record in the 2-C football conference.

## Athletics Beat Washington 7 To 4

Washington, Oct. 1.—(AP)—Alec Kellner won his 20th game of the season when he pitched Philadelphia to a 7-4 win over Washington here today.

Washington took over the lead in the last of the sixth when Al Evans singled with the bases full for two runs.

Philadelphia came right back in the seventh to score twice and again assume the lead.

The Athletics sent Dick Weller to the showers in the eighth. They scored their last two runs off him and Sid Hudson.

## College Football

**Pennsylvania 21 Dartmouth 0**

Philadelphia, Oct. 1.—(AP)—Gaining strength along the way, Pennsylvania trounced a surprisingly feeble Dartmouth football team today, 21 to 0.

A crowd of 36,850 saw a very dull game marked by an unending string of fumbles, pass interceptions and blocked kicks.

Penn finally got going in the last half, shaking Bob Deuber loose on a 69-yard punt return and Bill Rhoads on a 67-yard gallop around end, both for touchdowns.

**Duke 21 Tennessee 7**

Knoxville, Tenn., Oct. 1.—(AP)—Billy Cox, a slender halfback with the marksmanship of a frontiersman, put on a sensational passing show today to lead Duke to a well-deserved 21-7 victory over Tennessee.

Cox, a 180-pound junior, connected for eight of the first nine he tossed. In all he completed 11 of 18 for two touchdowns and 172 yards.

Tennessee barely escaped a shutout when Harold Payne, a flashy sophomore halfback, grabbed Bob Bickel's kick on the Vol 10 and raced 90 yards down the sideline to score.

**Vanderbilt 14 Alabama 7**

Nashville, Tenn., Oct. 1.—(AP)—Flashing brilliantly one minute and looking ragged the next, the Vanderbilt Commodores rolled over Alabama 14-7 in a Southeastern conference football game today.

Vanderbilt's newly installed T-formation made most of its gains on the ground. Alabama relied chiefly on an aerial attack which threatened to tie up the game in the final seconds.

The game was played before a crowd of some 27,500.

**Arkansas 27 Texas Christian 7**

Fayetteville, Ark., Oct. 1.—(AP)—Don Logue, sophomore quarterback who was supposed to be crippled, and a terrific Arkansas line routed Texas Christian University, 27 to 7, in a Southwest conference football game today.

## Brownies Edge White Sox 8 To 6

St. Louis, Oct. 1.—(AP)—With both teams scoring in the first inning the St. Louis Browns took a two-run lead which they maintained for an 8 to 6 triumph over the Chicago White Sox today.

Bob Roney lashed the entire distance for the Browns, giving up 10 hits in his first victory against two defeats this season. White Sox starter Randy Gumpert was shelled from the mound in the Browns' first and was charged with the loss.

John Ostrowski, batting for relief hurler Bob Cain, slammed a home run in the eighth with one man on, but Dave Philley grounded out to end the last Sox bid for the game.

The triumph gave the Browns undisputed hold of seventh place in the American league standings, leaving the Washington Senators on the bottom.

Chicago ... 300 001 020-6 10 1 St. Louis ... 500 020 10X-8 15 2 Gumpert, Pieretti (2), Cain (5), Kiehm (8) and Malone; Roney and Moss. LP—Gumpert.

## Ohio State Rolls Over Indiana 46-7

Columbus, O., Oct. 1.—(AP)—Ohio State staged a crushing land and air attack against Indiana's undermanned and youthful Hoosiers today for an easy 46-7 victory before 70,568 fans in the Western conference inaugural for each team.

Coch Wesley Fesler used 52 players—twice as many as Indiana—in the crosided fray. He turned the contest over to his third and fourth stringers after the Hoosiers ran out of gas following a stubborn and spirited first half which found the Bucks leading only 12-7.

Three Buckeye sophomores were among the Ohio sextet crossing the goal line. The newcomers put on a flashy exhibition in the late game when the Hoosiers—still feeling the effects of last week's 49-6 loss to Notre Dame—couldn't move fast enough to halt them.

Indiana got only four first downs to Ohio's 25, three of the Hoosier advances coming in the first quarter. Ohio gained 282 yards on the ground to Indiana's 26, and through the air Ohio had a 236 to 70-yard advantage.

It was the second straight win for Ohio, which nosed out Missouri's Tigers 35-34 a week ago.

## Army Might Routs Penn State 42-7

West Point, N. Y., Oct. 1.—(AP)—Army's football might and the weight of numbers routed Penn State 42 to 7 today after the huskies from the Nittany mountains had played the cadets to a standstill through the first half.

The two halves were like two different games. Penn State won the first 7 to 0, in a bruising ground battle. Then Army loosened up Penn State with Arnold Galiffa's sharp-shooting passes and romped through a weakened defense.

State scored first in the middle of the second quarter, on a six yard pass from Bill Luther to Owen Dougherty.

That was the only time Penn State passed successfully. The lack of an air attack was their greatest offensive weakness.

**QUINCY SWAMP'S McKENDREE 55-0**

Lebanon, Ill., Oct. 1.—(AP)—Bob Brunette passed successfully for four of the eight touchdowns as Quincy College swamped the McKendree College football team today, 55 to 0.

Quincy gained 534 yards to 913 for McKendree and had 16 first downs to 6.

The victors scored in each of the four periods—the lowest period score coming in the first with a touchdown, point after touchdown and a safety.

**NOTRE DAME WINS CROSS COUNTRY MEET**

Notre Dame, Ind., Oct. 1.—(AP)—Notre Dame opened its cross country season today with a victory over Wheaton (Ill.) College and the Quantic Marines.

The score of the triangular meet over a three mile course was Notre Dame 21, Wheaton 34, Quantic 65.

Irish sophomore Benny Almaguer led the Harriers across the finish line followed by Jim Kittell, Notre Dame, in second place, and Hallworth and Cousins, both of Wheaton, third and fourth.

**CHICAGO LIVESTOCK MARKET REPORT**

Chicago, Oct. 1.—(AP)—Hogs, cattle and sheep were quoted nominally steady today. Hogs sold in a range of \$18.75 to \$20.50.

With receipts moderate, particularly on light weight offerings, barrows and gilts scaling less than 200 pounds closed the week 80 cents to \$1.00 higher. Heavier weights were little changed. A few 150 to 170 pound underweights arrived, and they sold as much as \$1.50 over last week-end.

Top on choice to prime steers this week was \$34.25 as all sections of the cattle market, except bulls, advanced. Bulls ended about steady. Dressed beef prices declined and the gain in live animals was attributed entirely to unusually small receipts.

Gains of about \$1.00 were scored by slaughter lambs during the week. Main reason was a pick-up in dressed lamb demand. Particularly toward the close of the week. Sheep ruled strong to 50 cents higher with breeding ewes in broad demand.

**N. CAROLINA 21 GEORGIA 14**

Chapel Hill, N. C., Oct. 1.—(AP)—North Carolina's football forces landed their Sunday punches—All-American fullback Charlie Justice and end Art Weiner—three times today for a 21-14 victory over Georgia.

It was Weiner who supplied the finishing blow to the Georgians. It came just after they had stunned the crowd of 44,000 in Kenan Stadium by pulling into a 14-14 tie, with two minutes and 20 seconds to go, on fullback Eli Maracich's 68-yard touchdown run with a punt and End Bob Walston's conversion.

## Notre Dame Stalwarts Rip Huskies 27 To 7

Seattle, Oct. 1.—(AP)—The grinding power of a Notre Dame football machine driven by the piston legs of squat Emil Sitko wore down the University of Washington today and earned the Irish a 27-7 victory.

Stunning a crowd of 41,500, a Washington team that was unimpressed by the reputation of the green-clad Notre Dame giants pitched a touchdown pass in the first quarter and held the score to a 7-7 deadlock at halftime.

But the vicious drive of the Irish forward wall took its toll of Washington players in the second half. The invaders from South Bend, Ind., playing for the first time in the northwest, capitalized on two fumbles and a blocked kick to score twice in the third quarter and once in the fourth to wrap up the game.

**Penalties Bog Attack**

Time and again the Notre Dame attack was bogged by 15-yard penalties for holding, clipping and unnecessary roughness. Two of them came on successive plays in the final quarter. The 135 yards they lost from penalties did more to check the Irish than the courageous stand of the hometown huskies.

The touchdown that broke the scoring ice was set up at the fag end of the opening stanza. Lawrence Coutre of Notre Dame fumbled on the Washington 45 and Tackle John Peckeh recovered for Washington.

On the first play left halfback Rolly Kirkby got beyond the Notre Dame secondary defense and cradled a 30-yard pass from Quarter Don Henrich, scampering to the goal untouched.

It took Notre Dame almost all the second period to get even, finally launching an all-the-way drive from its own 39. Quarterback Bob Wil-

## Navy Crew Slugs Princeton 28-7

Baltimore, Oct. 1.—(AP)—A crew of slick sophomores ended Navy's long victory drought today with a smashing 28-7 triumph over Princeton before a crowd of 36,736 in Babe Ruth Stadium.

It was the first time in 16 games, dating back to 1947, that the middies came out on top. It also was the first win in 11 games since George Sauer took over the coaching job last year.

Navy was in control of the entire game after scoring in the first four minutes. In addition to its four touchdowns it had another recalled and two more "sure" scores killed by penalties.

If you have ever thought you would like sales work, but hesitated to try because you were not convinced about your probability of success—or if you are now selling and feel that your present position does not offer sufficient advancement possibilities, or adequate earnings, take advantage of this opportunity.

We will give you a complete "sales aptitude" test to determine if you are qualified for the selling field. These tests were created by one of the largest aptitude testing organizations in the country. The test is not an I.Q. test, but rather a check of your sales interest and sales temperament; your response to this test will be compared with those of men who have proved successful in the selling field. If you are not qualified, we will frankly tell you so. Should it disclose that your responses compare favorably with those of successful salesmen, we will discuss with you an opportunity to secure training for a Vocation-In-Sales.

If selected you will be offered a sales position in Jacksonville—with a guaranteed salary plus commission and bonus. It is essential that you have a car.

This test will be administered Free of Charge. Apply in your own handwriting to

# CIVIC MUSIC CAMPAIGN HERE OCT. 3-8

Hugh G. Shaw, 116 Finley street, was one of the early subscribers to the campaign to insure the success of the 1949-50 Civic Music program. He became a patron Friday night, securing his membership certificate from Mrs. S. G. Baker, one of the divisional chairmen who will conduct Jacksonville's fourth consecutive membership drive.

R. J. McGurk of Chicago, standing, is the Civic Music representative. Other workers seated at the cam-

aign headquarters desk in the Dunlap hotel lobby are, left to right, Mrs. G. O. Webster, Miss Martha Lorton, Mrs. Waldo McCreery, Mrs. Joe L. Grojan and Mrs. Hugh L. Green. Mrs. William Batson and Ernest Land will be in charge of division seven which includes Illinois College. Miss Alma Mackness is another divisional chairman.

A volunteer working force approaching 200 has been established to conduct the one week campaign

to bring concert entertainment to Jacksonville at the smallest per capita cost possible. The Jacksonville group of workers will be supplemented by representatives in Murrayville, Woodson, Alexander, Liberty, Virginia, Bluffs, Beardstown, White Hall, Waverly, Winchester, Chapin, Roodhouse, and Pittsfield, Mr. McGurk said. The kick-off supper will be held in the main dining room of the Dunlap hotel at 8:30 p.m. Tuesday.

Full enrollment at Illinois College totals 515 students, it was announced Saturday. While the great majority are from Illinois, 19 other states and seven foreign countries are represented.

Enrollment of veterans has decreased by one-fourth since last fall. Veteran students now total 175, as compared with 193 last spring and 230 a year ago.

Foreign countries represented are Belgium, Bolivia, Egypt, France, Israel, Korea and Germany. The 19 other states include California, Connecticut, Georgia, Indiana, Iowa, Kentucky, Maine, Massachusetts, Michigan, Minnesota, Missouri, New Jersey, New Mexico, New York, Pennsylvania, South Dakota, Tennessee, West Virginia and Wisconsin.

## Auxiliary Installs Mrs. Lillian Holt As New President

Mrs. Lillian Holt was installed recently as president of the Moss-Walton Legion Auxiliary, post No. 953, at the Legion home. Due to the illness of Mrs. Ida Muse, past president, Mrs. Cornelia Carter was the installing officer. Mrs. Florence Mosley was installing sergeant at arms.

Others installed were: Mrs. Margaret Postley, vice president; Mrs. Dora Wright, second vice president; Mrs. Frances Holt, secretary; Mrs. Cornelia Carter, treasurer; Mrs. Margaret Mitchell, historian; Mrs. Louise Wright Bundy, chaplain; Mrs. Mattie Richards, sergeant at arms; Mrs. V. L. Locke, musician.

Out of town guests were Mrs. Gladys Alexander, Mrs. Eunice Mosley, Chicago; and Miss Venita Mass, Springfield. Miss Dovie Woods and Mrs. Frances Holt sang, accompanied by Mrs. Bevi Fisher.

The new president appointed the following committees: membership, Mrs. Eleanor Holt, child welfare, Mrs. Louise Wright Bundy; poppies, Mrs. Cornelia Carter, chairman, Mrs. Essie Jackson and Mrs. Mattie Richards; social, Mrs. Myrtle Moore; cards, Mrs. Dora B. Wright.

The social committee for the evening included Mrs. Deborah Allis, Mrs. Nora Lewis and Mrs. Essie Jackson. Mrs. Louise Robinson, retiring president, presented her secretary, Mrs. Mitchell, with a lovely gift.

## Mrs. Alda Corder Of White Hall Dies Saturday

White Hall—Mrs. Alda Corder died at 6:35 p.m. Saturday at her home here. Although she had been ill for several years, her death was unexpected.

Born Dec. 5, 1885, Mrs. Corder was a daughter of Mr. and Mrs. J. R. Hert. She was married in March, 1904, near Nilwood, to Cleve Corder, who passed away suddenly July 5 this year.

Surviving are three sons, Virgil, Des Moines, Ia.; Paul, Fargo, N. D.; and Wayne Minneapolis, Minn.; two sisters and three nephews.

The body was taken to Dawdy Funeral Home. Arrangements are incomplete.

## Train Strikes Stalled Auto; Family Escapes

Geneva, N. Y., Oct. 1.—(AP)—While a freight train bore down on them, Mrs. Fenton Stevens of Stanley, N. Y., and her four young children huddled in their automobile last night.

Stevens tried in vain to push the stalled car off the grade crossing. The locomotive struck. The car overturned onto another track.

All lived to tell about it. Mrs. Stevens, who is expecting another child, said she kept the children in the car because she feared the train would run over them if they jumped out. The children range in age from one to five.

The 25-year-old mother and the children were taken to a hospital. Attendants said no injuries were apparent. Stevens was not hurt.

## TO OUR READERS:

Effective, Monday, October 3rd, the subscription price for The Jacksonville Journal and Courier, by carrier delivery, will be 25¢ per week.

We reluctantly make this announcement, but are forced to do so because of greatly increased operating costs resulting from so many increases in the price of newsprint and from higher prices of all other materials and services used in publishing a daily newspaper.

Carriers will collect at the new rate for the first time on October 8th, and will receive a portion of the increase. Mail subscriptions will not be accepted in towns where carrier delivery service is maintained.

## WOODSON CLUB PLANS PARTY WEDNESDAY

The "kid party" will be held by the Woodson Household Science club Wednesday at 2 p.m. in the home of Mrs. Frank Hembrough, Jr. Members are asked to come dressed as youngsters.

The topic for the afternoon will be public health, with Mrs. Robert McCormick, chairman. Roll call will be answered with a health hint.

Mrs. Merle Helliwell will be assistant hostess.

## Six Jacksonville Nurses To Attend National ISNA

Six from Passavant and Our Saviour's hospitals will be among the 13,000 registered professional nurses attending the annual convention of the Illinois State Nurses' association Oct. 5-8 at Hotel Pere Marquette, Peoria.

Important business sessions will include election of officers, revision of by-laws, discussions and recommendations regarding employment conditions of registered nurses, analysis of proposed changes in structure of national nursing organizations and a preview of nursing for the future presented by a panel of experts in the medical and health field.

Among the many speakers will be Dr. David B. Owen, president of Bradley University; Dr. Harold Von Achen, medical director, Caterpillar Tractor company, Peoria; and Dr. A. C. Ivy, vice president in charge of professional schools, University of Illinois. Dr. James Sours, president of the Peoria county medical society, will give the official address of welcome.

Local nurses at the meeting will include Miss Lucretia Rentschler and Mrs. Gertrude O. Hohmann, Passavant hospital; and Sister Claudine, C.S.C., Sister Clare Anne, C.S.C., Miss Ruth Heraty and Miss Hilda Miller, Our Saviour's hospital.

## E. Morgan Owners Purchase Mercury Lights For Street

Kenneth Stapleton of the engineering firm of Casler & Stapleton stated Saturday that the property owners on East Morgan street had purchased three mercury vapor lights which will be installed along the street within the next few weeks.

The lights are the same as those now being used on North and South Main streets at the Public Square. The property owners banded together and ordered the lights which will be installed by the city of Jacksonville.

It is expected that the poles, illuminators and cable will arrive in Jacksonville within the next few days and it is hoped that they can be installed while the new sidewalks are being put into place on East Morgan street.

Business men on other loop streets are busy soliciting property owners in an effort to obtain lights for their streets.

Many business men believe that the side streets have been poorly illuminated for several years and are anxious to have the new lighting installed while the paving project is underway.

The lights to be installed on East Morgan street are the latest type of street illumination.

## DeMolay Sponsors Weekly Dances At Roodhouse

Roodhouse—The weekly night record dance sponsored in the K.P. hall by the E.H. chapter, Order of DeMolay, started Saturday night.

The DeMolay Mother Auxiliary will be in charge of the dance and refreshments each time. All young people are invited.

Officers of the chapter conferred initiatory degree on a class of seven candidates in the Masonic hall, Tuesday.

They include Ronald Craigmiles, Roger Ballard, Robert Everett, J. C. Duty, Kevin Hill, James Klingele and Jack Luehr.

Wednesday night, the candidates drove to Alton, where they received the DeMolay degree conferred by members of the Chevaliers club.

## Morgan Historians To Help Celebrate 50th Anniversary

The widespread interest of Morgan residents in the history of this county and Illinois has won the congratulations of Jay Monaghan, secretary treasurer of the Illinois State Historical society. He has announced that Morgan county has become the first institutional chapter of the state society. Morgan has more members of the state society, proportionally, than in any other county in the state.

In recognition of this interest, the local society has received copies of Drury's "Old Illinois Houses," in addition to the regular quarterly issues of the State Historical Journal.

Monaghan's announcement was made on the eve of the golden anniversary of the state organization. The celebration will be held at Springfield and New Salem Park on Oct. 7-8, with headquarters at the Abraham Lincoln hotel.

Governor Adlai E. Stevenson, Mayor Harry A. Eielson and Frazier Hunt, foreign correspondent, will speak at a luncheon meeting Friday. Wives of past presidents of the state society will receive at a tea to be held at the executive mansion at 4:30 p.m. Friday.

Alvin W. Stearns, author and teacher who twice won the Pulitzer prize for biography, will be the dinner speaker.

There will be a bus tour to New Salem park Saturday morning. Speakers for an outdoor meeting there at 11 a.m. will be Carl Sandburg, poet and Lincoln biographer, and Fern Nance Pond, historian and lecturer and an authority on the park. Lunch will be served at the Wagon Wheel Inn.

Dr. Dwight F. Clark, president of the society, will preside at the final dinner to be given at the Abraham Lincoln hotel at 6:30 p.m. The Lincoln-Douglas debate, as portrayed in Robert Sherwood's play, "Abe Lincoln in Illinois," will be presented by G. William Horsley, as Lincoln, and S. Phil Hutchinson, as Douglas. Everett M. Dirksen of Pekin will give the concluding address.

## Bateman-Goben Engagement Told

White Hall—Mr. and Mrs. Albert Bateman have announced the engagement and approaching marriage of their daughter, Miss Audrey, to William Goben, son of Mr. and Mrs. H. E. Goben, also of this city.

The wedding will take place at the First Baptist church on Oct. 14. Both are graduates of the White Hall high school. Mr. Goben having 18 months in the Navy during World War II and is now employed at the Rose Auto Parts company. Miss Bateman is employed at the Seymour Drug Store.

## Missionary Doctor To Address Groups In Lynnville Oct. 5

Dr. Louis F. Jaggard will be the principal speaker Wednesday when west central missionary societies, Disciples of Christ, meet at the Lynnville Christian church. The program will begin at 10 a.m.

A sack lunch will be served at noon. The public is invited to attend.

DR. LOUIS F. JAGGARD

Dr. Jaggard retired from his work as a missionary doctor in Belgian Congo in 1944, after spending 36 years on that field as a representative of Disciples of Christ through The United Christian Missionary Society. Through these years hundreds of thousands of the people of Africa have received his ministry, in the treatment of that dread tropical disease, "yaws," of wounds and burns, in surgery, in all the ailments which beset men.

It was in 1908 that he first went to the mission field, and three days after his arrival that he started on his first itinerary with another missionary, traveling 250 miles by land and 125 on the rivers, treating many who were sick and performing a few operations. He remained on the field even after the time set for his retirement, when the doctor who was to replace him could not reach the field due to the sinking of the ship on which he set out, and subsequent imprisonment in Germany.

Dr. Jaggard first worked at Boleje, but it was the Monieka station to which he really gave his life. After his first furlough, he went up the Bussira River nine or ten days by dugout canoe to the Monieka site which had been visited by white men but in which he and his wife were the first white people to locate.

STATUTORY PROCEDURE (S)—never improper use of writs. NIEMANN-Justice Peace—"the Peoples Court."

## Elizabeth Perrin, Lt. C. R. McNeil Wed In Wilmette

Miss Elizabeth Perrin, daughter of Mr. and Mrs. Frank Howard Perrin of 2222 Birchwood avenue, Wilmette, became the bride of Lt. Charles Robert McNeil, son of Mr. and Mrs. Elmer Ellsworth McNeil, Jacksonville, in a double ring ceremony Saturday, Aug. 27.

Rev. Donald Johnson presided at the home of the bride's parents in the presence of the immediate families and a few close friends.

LT. AND MRS. MCNEIL

Given in marriage by her father, the bride wore a cocktail length dress of white imported French embroidered organza. Stephanitis and white roses fashioned her headpiece and bouquet.

Miss Kay Fodor of Wilmette, maid of honor, was attired in a blue afternoon dress and carried a bouquet of pink roses. Harris Rowe of Jacksonville was best man.

A reception for 75 followed in the garden, with Mrs. Magda Fodor and Mrs. Mary Ava Nash, both of Wilmette, serving. Out of town guests included the bridegroom's parents and Harris Rowe of Jacksonville and Mrs. Edna L. Cooper, the bride's maternal grandmother, Johnson City, Tenn.

Following a trip to the Wisconsin Dells and a visit with the bridegroom's parents, the couple drove to San Francisco, Calif., where Lt. McNeil embarked for Yokohama, Japan. Mrs. McNeil, who is living with his parents, will join him shortly.

The bride, a graduate of New Trier high school, Winnetka, attended MacMurray College for two years. Her husband graduated from Jacksonville high school and Illinois College, where he was associated with Sigma Pi. He served 32 months in the European theatre during the last war.

Mrs. Harold Hunter of Griggsville, president of the 20th district of women's clubs, will be guest speaker. Mrs. Robert McCaherty will present vocal selections with Mrs. Arthur T. Broche at the piano.

Mrs. Albert Powers, president, will preside.

## School For Deaf Topic Of Program At Circle Meeting

"The School for the Deaf" was the topic of an interesting talk given by Miss Amelia DeMotte at the meeting of the South Side Circle, held Friday afternoon at the home of Mrs. Ethel Strawn, 322 South Church street.

Miss DeMotte recounted the early teaching methods used by monks in European monasteries for instructing the deaf.

According to Miss DeMotte, the first school for the deaf was in Paris in 1761. In 1817, the first such school in America was established at Hartford, Conn.

Tells Of Helen Keller Miss DeMotte spoke of William Thomas, who came to Jacksonville in 1826 and was instrumental in having the Illinois School for the Deaf located here. She described in detail the buildings, management and teaching methods, closing her talk by telling a personal experience she had with her friend, Helen Keller, when the latter visited the local school a few years ago.

The speaker was introduced by Mrs. J. G. Reynolds, program chairman for the day. A short business session was conducted by the president, Mrs. E. A. Schoedsack, during which the program chairman, Mrs. Earl Underbrink, announced that the circle will have several institutional programs this year.

Eighteen members and two guests responded to roll call by naming a noted deaf person. During the social period, refreshments were served from a lovely tea table, presided over by Mrs. J. Franklin Epler.

## Chapin Rites Held For Joseph Detmer

Funeral services for Joseph Detmer were conducted Saturday at 2 p.m. at the Chapin Christian church by Rev. Fred Wilson.

Mrs. Anna Delph and Mrs. Marjetta Goffinet, duet, were accompanied by Miss Ruth Hutches. Caring for the floral tributes were Mrs. Edith Brookhouse, Mrs. Ruth Galloway, Mrs. Earl Smith and Miss Ethel Austin.

Palbearers included William Fisher, Harry Waters, Astor Watts, Arthur Griffin, Fred Tirmann and Earl Smith.

Burial was in Chapin cemetery.
